

MEET ME AT THE:

*Dinner and Action Summit

Integrating all of the Wapello County Community Conversations..

- Wapello County Residents have one of the highest food insecurity rates in the whole state of Iowa.
- 14% of Wapello County residents are **food insecure**
- Nearly 24% of children in Wapello County are **food insecure**
- Our food bank distributes over 400,000 pounds of food to residents every year.
- More than 60% of our children are eligible for free or reduced lunches
- Students in Wapello County who eat 1 serving (or less) of fruit a day: 41%
- Students in Wapello County who eat 1 serving (or less) of vegetables a day: 50%

..into Action Items that we can work on together!
